

Leeds Markets Balcony Meeting Room

The balcony meeting room is located overlooking the beautiful Grade 1 listed 1904 Market Hall in Leeds' historic market. It is set up in a boardroom format, and can comfortably seat 20 people – there is also a kitchen area away from the main table. Conveniently situated within the city centre close to trains, buses and with nearby parking, it is a light and airy space in a unique setting. Please check into the Information Centre on Row J of the market upon your arrival.

The meeting room is accessed up a flight of stairs, so unfortunately is not suitable for those with mobility issues.

Catering
Catering is not available direct from the markets service, but crockery, plates and glasses are provided. There are a variety of food businesses within Leeds Market who can supply catering, please contact us if you would like a list of these businesses.
